BUSINESS REVIEW OFFER

If your company is using QuickBooks*, Peachtree*, BusinessWorks*, Accpac BPI* or any other “Entry-Level” accounting software, it is likely your business may have out grown these programs.

This entitles your company to a complimentary preliminary business review of your business operations by a Compu-Solutions Master Consultant performed at your location.

Our goal is to help improve your business and add to your profitability.

Call us today at (925) 372-5954 to schedule your review.
